

E.T. GRESHAM

CONSTRUCTION • CRANE & RIGGING • INDUSTRIAL SERVICES

Kerns Group Architects is one of the most complete Architectural firms we have worked with to date. From conceptual sketches to design development drawings to construction documents, and then throughout contract administration, they are thorough and balanced.

A handwritten signature in white ink on a dark background. The signature is highly stylized and cursive, appearing to read "Richard Wells Gresham".

Richard Wells Gresham, AIA
Vice President
